

SATYASHEEL PANDEY

Digital Strategy Leader - Smart Cities & Airports - Public & Government Sector

New Delhi (NCR), INDIA - 9830585832 - satyasheel15@gmail.com - linkedin.com/in/satyasheel

PROFESSIONAL SUMMARY

Strategic digital and business transformation leader with 22+ years of global experience across consulting, systems integration, ICT modernization, and enterprise-scale program delivery. Proven record of leading multi-billion-dollar modernization programs and enabling enterprise transformations initiatives across Government / Public Sector, Smart Cities, Smart Airports, Travel & Transportation, Defence, BFSI, and Enterprise Sectors spanning India, North America, EMEA, and APAC.

EXECUTIVE ADVISORY & STRATEGIC LEADERSHIP

Trusted advisor to C-suite executives and government leaders, shaping digital strategies that drive measurable value in operational efficiency, sustainability, safety, and citizen/passenger experience.

THOUGHT LEADERSHIP & INDUSTRY INFLUENCE

Published 15+ thought leadership papers on Digital Strategy Consulting, Smart Cities, Smart Airports, Digital Twins, Emerging Technologies, and Generative AI / Agentic AI, contributing to industry frameworks and strategic transformation methodologies.

TRANSFORMATIONAL IMPACT SUMMARY

Transformation & Innovation

- Led \$3B+ Smart Airport City transformation, unifying 85+ ICT systems into an integrated platform to drive operational efficiency and elevate passenger experience.
- Defined and executed the strategic vision for an industry-first airport data centre Digital Twin strategy, enabling predictive maintenance and delivering 30% energy cost savings.

Growth & Expansion

- Spearheaded first Smart City (UK Govt.) and Airport (South Africa) engagements at IBM, enabling global market entry.
- Owned and scaled new business portfolio during tenure at IBM, delivering \$10M+ in revenue and achieving \$15M+ in cost optimization through strategic solutioning, delivery transformation, and end-to-end process redesign.

Leadership & Innovation

- Orchestrated innovation-led pilots & PoCs across Smart Cities and Smart Airport ecosystems, enabling the translation of emerging technologies into tangible business value, including improved sustainability and enhanced passenger/citizen journeys.
- Led enterprise-scale teams (100+) at IBM, delivering innovation and developing next-gen leaders.

CORE COMPETENCIES

Executive Leadership & Strategic Advisory: Enterprise Strategy | Digital & ICT Transformation | P&L Leadership | CXO & Board Advisory | Policy & Regulatory Strategy | Innovation Ecosystem Development | C-Suite Stakeholder Engagement.

Transformation, Growth & Value Realisation: Strategic Transformation | Revenue Acceleration | Cost Optimisation | Digital ROI & Benefits Realisation | Business Case & Investment Strategy | Sustainability & ESG Value Creation.

Smart Airport & Cities Ecosystems: Smart Airports & Smart Cities | ICCO / AOCC / APOC Leadership | A-CDM Enablement | Digital Twin Ecosystems | Platform Ecosystems | Passenger Experience Transformation | Smart Mobility, Security & Infrastructure.

Emerging Technologies & Innovation: Generative & Agentic AI | AI/ML & Predictive Intelligence | Computer Vision & Automation | Edge & Industry 4.0 | AR/VR Applications | Smart Energy & Sustainable Technologies | Next-Gen Smart Airport (4.0/5.0).

Enterprise Delivery & CoE Leadership: Global Delivery Leadership | CoE Setup & Scaling | Program & Portfolio Governance | Offering Management | PMO Leadership | Agile & Hybrid Delivery Models | Budgeting & Contracts | Vendor & Ecosystem Management.

Market Strategy, Growth & Solutioning: Go-To-Market Strategy | Strategic Solutioning | Large Deal Pursuits (RFP/RFQ) | MSI / SI / PMC Engagements | Strategic Alliances & Partnerships | Market Entry & Expansion | Global Delivery Models.

Governance, Partnerships & Scale: Strategic Alliances | Cross-Functional Leadership | Multi-Stakeholder Alignment | Risk Management | Large Program Oversight.

Thought Leadership & Industry Influence: Research & Publications | Industry Frameworks | Strategic Advisory | Academic & Institutional Engagement | Digital Transformation Advocacy.

PUBLICATIONS & THOUGHT LEADERSHIP (LINKEDIN & RESEARCHGATE)

- **Strategy & Market Entry** Digital Strategy Framework; Unified Smart City & Airport Intelligence Platform; Smart Airport Cities 5.0; SACaaS: Consulting as A Service; GTM Strategy Smart Airport.
- **Operations** Demystifying APOC, AOCC, & ICCC; ICCC & APOC-As-A-Service: Intelligent Operations; Digi Yatra: Advancing Smart Airport City Connectivity; Smart Airport City -Transformation Canvas.
- **Emerging Technologies** Gen AI Revolution in Smart City Dynamics; Integrating Digital Twins with AODB & BMS; Predictive Analytics & Accident Prevention; Digital Twin for (Airport) Data Centre.
- **Security & Defence** Next-Gen GNSS Spoofing Defense Framework.
- **Aviation & City Innovation** Smart Retail: AR/VR in Airport Environments; Why Smart City Projects Fail (Analysis of India); Smart Airport City: The Next Smart Frontier.

CAREER IMPACT & LEADERSHIP

Independent Consultant – Noida | Strategic Advisor – Digital Strategy, Smart Cities & Airports | Jan 2025 –Present

- Advising organizations on digital transformation strategies, smart airport cities, and large-scale infrastructure programs.
- Conducting research & industry analysis on emerging technologies such as Gen AI, Digital Twin, & AI-driven operational platforms.
- Engaging with industry leaders, technology partners, and academic institutions through consulting, mentoring, and guest lectures on digital strategy and smart infrastructure innovation.

WAISL DIGITAL - New Delhi, India | Head - Smart Airport Cities (Digital) | Dec 2021 - Dec 2024

- **Strategic Transformation:** Led \$3B+ Smart Airport City Digital Transformation Program integrating 85+ ICT systems into a unified platform, improving operational efficiency and elevating passenger experience scores. Orchestrated program governance and vendor coordination across complex technology partners and multiple agencies.
- **Sustainability & Innovation:** Recommended Digital Twin solution for Airport Data Centre & AODB-BMS integration to enable Smart Energy as part of airport's Sustainability program - resulting in energy optimization, predictive maintenance capabilities, & measurable annual cost reduction.
- **Citizen & Passenger-Centric AI:** Led AI-powered pilots (parking, washrooms, trolley, buggy), elevating passenger experience and advancing sustainability outcomes.

MANTRA SOFTECH - New Delhi, India | Assistant Vice President - Delivery | Jun 2019 - Dec 2021

- **Smart City:** Led delivery of integrated Smart City solutions (parking, traffic, waste) integrating with ICCC platforms for government.
- **Defence Engagements:** Delivered integrated biometric security across 600+ sites for the Indian Navy and advanced surveillance solutions for the Indian Army.
- **Program Governance & Strategic Partner Management:** Drove capacity optimization and strengthened client-partner alignment to elevate service delivery, deepen long-term relationships, and improve operational performance.

AKSECELLENCE INFO SOLUTIONS - Noida, India | Director (Digital) | Dec 2017 - Jun 2019

- **Consulting & Growth:** Accelerated startup growth through digital transformation consulting across infrastructure and technology portfolios; developed strategic roadmaps aligned to client objectives in Smart Cities & Government technology enablement.
- **Emerging Technology Enablement:** Designed technology frameworks blueprints and delivery frameworks to fast-track Smart City innovation programs, enabling clients to evaluate and adopt IoT, Platform, and data analytics solutions.

ERICSSON - Noida, India | Senior Manager | Apr 2016 - Nov 2017

- **Operational Excellence:** Revamped global delivery operations, reducing overhead through resource optimization & process automation.
- **Contractual Compliance:** Ensured SLA compliance and contractual performance across telco and public sector engagements.

IBM - India & Global Locations | Delivery Project Executive (DPE) | Nov 2003 - Apr 2016

- **Portfolio Growth:** Led Smart City, Aviation, and Public Sector portfolios across India, North America, EMEA, and APAC at IBM, securing \$10M+ in new business and delivering \$15M in cost efficiencies through delivery transformation and global model optimization.
- **People & Operational Leadership:** Led and scaled 100+ global teams across India and delivery centres at IBM, building leadership pipelines and strengthening delivery and client management capabilities.
- **Executive Interface:** Served as senior representative for IBM in executive forums with government and Fortune 500 clients, governing multi-year contracts and driving digital transformation programs.

EARLIER CAREER FOUNDATION IN TECHNOLOGY & DELIVERY

Satyam Computer Services, 2001-2003 | **Stock Holding Corporation of India Ltd**, 1999-2001 | **Quantum Computers**, 1998-1999.

Built foundational expertise through progressive roles in IT delivery and implementation (1998–2003), shaping early capabilities in transformation programs, execution discipline, and technology-led business enablement.

EDUCATION & CERTIFICATIONS

- **Executive Program in Business Management (EPBM)** | Indian Institute of Management, Calcutta (IIM-C), India
- **Bachelor of Engineering (BE)** - Computer Engineering | Nagpur University, India
- **Certifications & Membership:** IBM Senior Project Management Certification; Associate Member of Institution of Engineers (India)
