

SATYASHEEL PANDEY

Digital Strategy Leader • Smart Cities & Airports • Public & Government Sector Transformation
NEW DELHI (NCR), INDIA • +91-98305-85832 • satyasheel15@gmail.com • linkedin.com/in/satyasheel

PROFESSIONAL SUMMARY

Strategic digital and business transformation leader with 20+ years of global experience across consulting, systems integration, ICT modernization, and enterprise-scale program delivery. Proven record of leading multi-billion-dollar modernization programs and enabling enterprise transformations initiatives across Government/Public Sector, Smart Cities, Smart Airports, Travel & Transportation, Defence, BFSI, and enterprise sectors spanning India, North America, EMEA, and APAC.

Executive Advisory & Strategic Leadership

Trusted advisor to **C-suite executives and government leaders**, shaping digital strategies that drive measurable value in **operational efficiency, sustainability, safety, and citizen/passenger experience**.

Thought Leadership & Industry Influence

Published **15+ thought leadership papers** on Smart Cities, Smart Airports, Digital Twins and Generative AI/Agentic AI, contributing to industry frameworks and strategic transformation methodologies.

LEADERSHIP HIGHLIGHTS

- Led **\$3B+ Smart Airport City digital modernization** integrating 85+ ICT systems into unified platforms, achieving measurable improvements in operational efficiency and passenger experience.
- Achieved **\$15M+ cost optimization** through global delivery transformation, process redesign, and resource rationalization.
- Secured **\$10M+ new business** via strategic solutioning, RFP leadership, and executive stakeholder engagement.
- Led and mentored global teams of 100+ FTEs, fostering a culture of innovation and coaching the next generation of program leaders.
- Championed innovation pilots (Smart Parking, Utility, Smart Washroom, Predictive Maintenance), advancing sustainability metrics and passenger/citizen experience.

CORE COMPETENCIES

- **Executive & Strategic Leadership:** Business and Technology Consulting • Digital & ICT Strategy Execution • P&L Management • CXO Advisory • Innovation & Emerging Technologies Leadership • Strategic Vendor & Partner Enablement.
- **Value Creation & Transformation:** Cost optimization • Operational Efficiency • Citizen/Passenger Experience.
- **Smart City & Smart Airport City Transformation:** ICCC/APOC/AOCC • A-CDM (Airport Collaborative Decision Making) • Digital Twins • Building Management Systems (BMS) • IoT Integration • Smart Mobility • Smart Security, Safety, & Infrastructure.
- **Emerging Technologies & Innovation:** Generative AI • Agentic AI • Smart Mobility • Smart Energy & Utilities • Intelligent Traffic & Parking • Sustainability & ESG Tech • Smart Water • Smart Waste • Industry 4.0 • Airport 4.0/5.0.
- **Strategic Leadership – Solutioning, Presales & GTM:** Strategic Presales • RFP/RFQ Leadership • GTM Strategy • Bespoke Solutions Aligned with Client Needs • Organization Change Management • Global Delivery Models • MSI / SI & PMC Engagements.
- **Enterprise Delivery & CoE Leadership:** CoE setup & scale up • Capacity planning & Technology Enablement • Offering Management • Agile and Waterfall • AD / AMS • Process Optimization • Transition & Transformation • PMOs Leadership.

PROFESSIONAL EXPERIENCE

Strategic Advisor – Digital Strategy, Smart Cities & Airports (Independent) | Jan 2025 – Present

- Advising organizations on digital transformation strategies, smart airport cities, and large-scale infrastructure programs.
- Conducting research & industry analysis on emerging technologies such as Gen AI, Digital Twin, & AI-driven operational platforms.
- Engaging with industry leaders, technology partners, and academic institutions through consulting, mentoring, and guest lectures on digital strategy and smart infrastructure innovation.

WAISL LIMITED – New Delhi, India | Head - Smart Airport Cities (Digital) | Dec 2021 - Dec 2024

- **Strategic Transformation:** Led \$3B+ Smart Airport City Digital Transformation Program integrating 85+ ICT systems into a unified platform, improving operational efficiency and elevating passenger experience scores. Orchestrated program governance and vendor coordination across complex technology partners and multiple agencies.
- **Sustainability & Innovation:** Recommended Digital Twin solution for Airport Data Centre and AODB-BMS integration to enable Smart Energy as part of airport's Sustainability program—resulting in energy optimization, predictive maintenance capabilities, & measurable annual cost reduction.
- **Citizen & Passenger-Centric AI:** Executed AI-powered PoCs and pilots (Smart Parking, Washrooms, Trolley, Buggy Management) improving passenger satisfaction and advancing sustainability metrics.

MANTRA SOFTECH – New Delhi, India | Assistant Vice President - Delivery | Jun 2019 - Dec 2021

- **Smart City:** Led digital solution delivery for Smart City projects viz Smart Parking, Traffic, & Waste Management integrated with ICCC as a platform.
- **Defence Engagements:** Delivered Integrated Biometric Security at 600+ sites for the Indian Navy and Smart Security & Security Surveillance for the Indian Army.
- **Program Governance & Strategic Partner Management:** Drove capacity optimization and strengthened client–partner alignment to elevate service delivery, deepen long-term relationships, and improve operational performance.

AKSECELLENCE INFO SOLUTIONS – Noida, India | Director (Digital) | Dec 2017 - Jun 2019

- **Consulting & Growth:** Accelerated startup growth through digital transformation consulting across infrastructure and technology portfolios; developed strategic roadmaps aligned to client objectives in Smart Cities, Public Sector, and Government technology enablement.
- **Emerging Technology Enablement:** Designed technology frameworks blueprints and delivery frameworks to fast-track Smart City innovation programs, enabling clients to evaluate and adopt IoT, Platform, and data analytics solutions.

ERICSSON – Noida, India | Senior Manager | Apr 2016 - Nov 2017

- **Operational Excellence:** Revamped global delivery operations, reducing overhead through resource optimization & process automation.
- **Contractual Compliance:** Ensured SLA compliance and contractual performance across telco and public sector engagements.

IBM – India & Global Locations | Delivery Project Executive (DPE) | Nov 2003 - Apr 2016

- **Portfolio Growth:** Drove Smart City, Aviation, & Government/Public Sector portfolios across India, North America, EMEA, and APAC markets over a 12+ year tenure, securing \$10M+ in new contracts, elevating client satisfaction, & realizing \$15M in cost efficiencies through strategic delivery transformation and global delivery model optimization.
- **People & Operational Leadership:** Led and scaled 100+ FTE teams across India and global delivery centres, mentoring emerging leaders across Industry and PM practices; drove talent development programmes that built a pipeline of senior delivery and client management professionals.
- **Executive Interface:** Served as IBM's senior representative in delivery reviews and strategic engagements with government agencies and Fortune 500 companies; instrumental in governance of multi-year contracts and digital modernization programmes.

EARLIER CAREER ROLES

Satyam Computer Services, 2001-2003 • Stock Holding Corporation of India Ltd, 1999-2001 • Quantum Computers, 1998-1999.

Advanced through progressive IT delivery and implementation roles to build strong transformation and program execution capabilities.
